This concerns killing of San Francisco Mayor George Moscone and Supervisor Harvey Milk, victims, by Dan White during 1978. In 9/19/83 issue of "The Washington Post" an article appeared advising the Governor of California has asked the Justice Department to use Federal civil rights laws to prosecute White who is scheduled for parole from state prison in the future.

Our San Francisco Office has recently concluded a civil rights investigation into this matter based on a citizen's complaint. San Francisco's September 8, 1983 report was forwarded to the Department for review on 9/14/83. On 9/19/83 [REDACTED] Criminal Division, Department of Justice, was advised the FBI report had been forwarded to Department of Justice. [REDACTED] General Litigation Section, handles this type violation for the Department and was advised so he could respond to any internal inquiries concerning this matter.
